

The Kennesaw Mountain School Council is an advisory board that was established in compliance with Georgia State Law (OCGA §§ 20-2-85 and 20-2-86). The school council provides advice and recommendations to the principal on school matters. Kennesaw Mountain seeks applicants to fill two spots to serve in 2018-2020. Members are nominated and elected by parents of Kennesaw Mountain HS students. At least two of the four parents must be business persons in the community.

Nominations will be accepted through August 10th. Elections will be held August 13th through August 17th in the front office where ballots and a ballot box will be available.

Nomination forms are available on the school website under School Council.
