

2009-10 STUDENT/PARENT PARKING CONTRACT

Safe, orderly and responsible operation and parking of cars on campus is essential to the welfare of all concerned. We earnestly seek your support of and compliance with all traffic-related Board of Education policies and regulations. IT IS UNDERSTOOD THAT:

1. Students are assigned a numbered decal **showing assigned parking lot** for parking on campus. Students must park only in assigned areas. Park where you're not obstructing any other driver.

****IMPORTANT**** *Failure to place the decal on the car as required by the Board of Education policy and District regulations will result in voiding of the permit and/or issuance of a parking ticket or being towed. The school will not refund the cost of the permit. WE WILL GIVE NO FURTHER WARNING ON THIS.*

2. **Students will purchase a 1st and 2nd semester parking decal at beginning of each semester. Parking decals are not transferable from one car to another or from one individual to another.** Motorcycles must have a parking decal also – although they may be assigned to a common parking area.

STUDENTS PARKED IN FRONT LOT ARE EXPECTED TO MOVE THEIR CARS BY 3:30PM EVERYDAY FOR BAND PRACTICE. IF CAR NOT MOVED, YOU WILL BE SUBJECT TO BEING TICKETED OR TOWED.

3. Students can only register a car owned/leased by them or their family and that is legally registered in Georgia. Students may NOT register a car for another student using their name. The penalty is voiding the permit. The school will not refund the cost of the permit.

4. The School District retains all rights to all parking spaces. In selling a parking permit, the School district only grants permission for a student to park his/her REGISTERED car. Students MAY NOT share, resell, trade, loan or give away an assigned parking permit to anyone.

5. A student using an automobile to store, transport or conceal contraband (drugs, alcohol, tobacco, dangerous weapons or anything else illegal under the laws of the State of Georgia or forbidden by Board of Education policy) on Board of Education property, or on any other property while the student is attending a SCHOOL-SPONSORED event, will result in the voiding of the parking permit. Appropriate disciplinary action, including ISS, OSS, or expulsion will be taken by school officials.

6. Any student who is suspended out of school will have his/her parking permit voided for a minimum of 45 school days with a maximum of time being for the remainder of the school year or possibly permanently. The school will not refund the cost of the permit.

7. **AT NO TIME CAN STUDENTS PARK IN VISITORS OR FACULTY LOT OR IN NO PARKING AREAS ON CAMPUS. The front drive and all concrete areas around the building (including area outside gym) are No Parking Zones. AT ALL TIMES, day or night, and on weekends, these areas must be kept clear for maintenance, emergency and other authorized vehicles 24 hrs. a day. The penalties for violation of this regulation are: 1st Offense-citation; 2nd Offense-voiding of permit and impounding of car. Failure to respond to citation is grounds for voiding permit as per Board of Education Rules and Regulations on back of parking permit application. The school will not refund the cost of the permit.**
