

## **Silverhawks 6<sup>th</sup> grade Pre-view Camp**

**Lovinggood Middle School - July 19, 2017**

**Welcome to our school!** The purpose of this pre-view camp is to provide new Lovinggood 6<sup>th</sup> graders and their parents a chance to become acclimated to the school. During the experience we want students to learn about day to day life at Lovinggood and get some tips for a successful transition into middle school. Activities include tours of the school, locker practice sessions, organization tips and question-answer sessions.

There will be parent information sessions that will provide support and suggestions on how to plan for a successful transition and year. By popular demand, veteran middle school parents who are familiar with Lovinggood need not attend the parent sessions. Children will need to be picked up promptly in the café at the end of their session. We encourage new parents that have not had the middle school experience to attend. Please see session info below. You will not need to attend both sessions. Please attend your assigned sessions as we are trying to keep session sizes manageable.

**Session 1** 9:00- 11:30 for Rising 6<sup>th</sup> Graders and parents from Dowell and Cheatham Hill Elementary Schools

**Session 2** 1:00- 3:30 for Rising 6<sup>th</sup> Graders and parents from Still and Kemp Elementary Schools

Please email Bob Hague with any questions.
