

TRANSPORTATION CHANGES

Parents,

Dismissal is one of the most important times in our day. We work hard to ensure that our students get to their afterschool destination safely. We will not take transportation changes over the phone, via fax or via email. This is a safety measure that we MUST enforce to keep your child safe. The form below, with a signature, must be sent in with your student in order for us to change your student's afternoon transportation. If the student arrives in the morning without this form the parent/guardian must come into the front office to fill one out since a signature is mandatory.

If you are picking up your student at dismissal and do not have a carpool tag, it is necessary for you to come into the front office and show identification before we can release the student into your custody.

All early dismissals or transportation changes must be received before 1:45 pm.
