### Cobb County Schools: A District of Distinction

The Cobb County School District is the 2nd largest school system in Georgia and 26th largest in the United States, with a total enrollment of over 106,000 students in a diverse, constantly changing suburban environment.

The mission of the Cobb County School District is to provide an academically rigorous, caring and safe educational environment in partnership with families, students and the community.

Our vision is that all children will receive the respect, encouragement and opportunities they need to build the knowledge, skills and attitudes to be successful, contributing members of a global society.

## Class Rank

Class rank is cumulative for four years and weighted according to the level of the curriculum. All classes and all students are calculated in the class rank.
