## Student, Faculty, and Partner Spotlights

### Student of the Month

The following students have been selected by our staff for exemplifying our motto: Respectful, Responsible, and Safe.

6th Grade: Erna Mustabacic – Erna is a conscientious and responsible student. She works hard to ensure that she not only keeps up with her responsibilities but that she is also putting forth her best work. Her desire to learn and her hard work make her a pleasure to have in class! Landon Rodas-Rodas - Landon is a quiet student. He is respectful and is always making sure he is doing the right thing. He is a complete joy to have in class.

7th Grade: Fabian Pereznegron - Fabian is an excellent student and a caring friend. He works hard in class and he motivates his friends to do the same. He always has a positive attitude and he is always willing to help others. Natalia Pineda - Natalia's superb personality and character inspires others. She is brave in the classroom because she is willing to try new things and guess when she is not sure. Her willingness to learn has led her to earn amazing grades.

8th Grade: Kathleen Carter - Kathleen is a joy to teach. She has a 'coachable' personality and she is not afraid to go out on a whim in her learning. She is kind and courteous to her class mates. Connor Lew - Connor is a leader and a role model to his peers. Connor's leadership makes his classes a better place to learn for other students and a better place for teachers to teach. Ultimately, his role in our classrooms improve the entire school climate.

### February Staff Members of the Month

Congratulations to Mrs. Hutzler and Mrs. Neal for being our staff members of the month! Mrs. Hutzler is one of our 7/8 ELA Teachers. Mrs. Neal is our school secretary. Both of them were selected by our staff to be recognized for the month of February based on what they do to help make PMMS the best place to teach, lead, and learn.

### Partner Spotlights

Special thanks go to Melissa Krudwig with the Think Melissa Real Estate Team for her continued support of our faculty members of the month. Melissa donates a day at the spa to each of our faculty member of the month honorees. We appreciate our partners like Melissa for all they do to support what happens with our kids and faculty!

We would also like to recognize Ms. La-La! Our PMMS students completed six performances on February 26 of our Black History Play under the direction of Ms. Lauren McBride (Ms. La-La) who wrote and directed the play. PMMS wants to thank Ms. La-La and our students for their hard work and dedication to make this event happen! It was a phenomenal performance and would not have been possible without McBride's donation of her time and resources with the students.
