Students Recognized for Positive Behavior

The PBIS (Positive Behavior Interventions and Supports) store is this week. Students earn points for being respectful, being responsible, and being safe at school. Students can spend their points at the PBIS store!

Free Computer Assisted Tutorial Available

Did you know that our school provides all our students free access to USA Testprep? This is an online tutoring program students can use in math, English, science, and social studies. All our students already have been assigned a username and password. This is a great resource for students to use whether they need extra help or want to get ahead.
