Academies @ Pope

The Academies @ Pope offer career academies for students of exceptional merit.

There are currently three academic focuses:

1. **STEM Academy**
Two pathways
- Engineering
- Advanced Math & Science
2. **Globalization Academy**
3. **Culinary Academy**

Each Academy has an application process that involves teacher recommendations and course and grade pre-requisites that are spelled out for each Academy.

Students graduating from an Academy will have a profile for that academy attached to their transcript
