ORDER ONLINE**

As part of The Neff Varsity Jacket Program, your students now have the convenience of ordering online through **THE NEFF JACKET SHOP**. The Neff Jacket Shop makes it easy for students who are unable to attend the jacket fitting to order their jackets. It's easy to use and takes the guesswork out of the process. When your students log on to the site, the school's official jacket has already been determined – all your students need to do is to select the personalization options available to them and choose their size. As the premier “one-stop-shop” jacket supplier, we're excited to provide this addition to our program.

JUST ONE MORE WAY NEFF MAKES THINGS EASY & CONVENIENT.
