678) 494- 7886 (fax)

Monday - Friday 8am -11am & 2pm - 4pm

Lassiter

Monday - Thursday 11am-2pm

Feeder Schools

Primary Role/Services

Provide support to students, families and staff with the primary focus of removing barriers to student academic & personal success. Services include, but are not limited to: attendance interventions, economic assistance, mental health assistance, conflict resolution, counseling, advocacy, crisis intervention, connect student/families to community resources, student groups, RTI participation, parent training, and provide consultation to teachers/staff.

Helpful Information

Please note that students need to be *in their seats* by the time the bell rings and ready for instruction. Any student entering the classroom after that time is tardy. Students who are in their seats on time alleviate the need for teachers to stop classroom instruction to assist their late arrival. Please make a note of the state requirement for student to be in attendance for at least fifty percent of the day to be counted as present for the entire day. Please keep lost instruction time to a minimum. It cannot be recovered.

When attending medical appointments, requesting a medical note to return to school will be helpful should your student receive a referral for attendance later in the school year. I am available to support and assist you as needed. Please feel free to contact me should you need my service throughout the year. Have a great school year!!!
