

## Fall 2018 Final Exam and EOC Test Schedule

**Final exams** are given online. Students have 55 hours in which to take the final exam for their course during the dates and times listed below. Students are encouraged to take this final exam early in the testing window. Final exams must be taken in one sitting and most last approximately 1 hour. Please see your course for additional information regarding your particular test.

**EOC Tests** are state-mandated and must be given in a proctored environment. All students take the EOC at their local school.

**CVA does not administer early testing and there are no make-up dates for final exams.**
