Science 7th Grade

Instructional Strategies for Milestones prep

- ▶ Before/after school tutoring for test taking skills and review of concepts you know will be on the Milestones
- ▶ Use Milestone prep questions from CTLS as a daily warm-up (check point for immediate changes and feedback)
- ▶ Flexible grouping in your classroom (using data to differentiate)
- ▶ Academic vocab packets – flash cards (weekly quizzes)
- ▶ Close Reading strategies
- ▶ Coach workbooks
- ▶ Membean
- ▶ USA Testprep
- ▶ Khan Academy videos and practice questions
- ▶ Newsela – informational articles for Ela, reading, SS, science (differentiated by Lexile levels)
- ▶ Differentiation by Content, Process, and Product (using methods of learning styles, readiness, interest, environment)

Go Team!

Academic Excellence for All!
