

Safety and Supervision Procedures

Simpson Middle School

Morning Study Hall

- Due to supervision and safety issues, no students will be allowed inside the building until 8:00.
- Students may enter the building at 8:00 a.m. for a silent, morning study hall opportunity in the theater.
- Students will be able to work independently or read from 8:00-8:50 in Study Hall.
- Students who are coming in early for tutoring will need to have a pass from that teacher.
- The Media Center will be open for students. However, there is limited space. The Media Specialist will provide passes for students who are in Study Hall until space is maximized.
- Students will not be allowed to remain on the side walk during the morning car line. They will need to report to Study Hall in the theater or to homeroom after 8:50.

Afternoon Dismissal

- Please have your child ride the bus if at all possible.
- Bus riders will be dismissed first at 4:15.
- After buses have cleared the parking lot, walkers and car riders will be dismissed.
- Be aware that we currently do not have a crossing guard.
- Please follow the directions of the new car line procedures.
- Please be courteous and respectful to Officer Dunkerton and our staff. Officer Dunkerton is not allowed to direct traffic. Our goal is to keep our car line moving at a safe and efficient pace. We thank you in advance for your help!

Visitors in the building

- Due to increased security protocols, the 8A door will no longer be open in the morning for walkers. All students, parents, and staff will need to enter the building only through the front doors throughout the day.
- Also, we will continue to be vigilant as a staff to ensure that all guests in our building have a visitor's badge. Thank you for your cooperation and understanding.
