

September 5, 2018

Greetings, Eagle Parents!

Thank you for a wonderful start to the 2018-2019 school year! We thank you in advance for your support of your child's academic progress. You are now able to view your child's 4 ½ week progress report on Parent Vue. In order to be environmentally friendly, we are not sending home a printed copy of our progress reports and report cards this year with the exception of our final report card at the end of the school year which will reflect all 4 quarter grades. I hope you are accessing your child's grades via **Student Vue/Parent Vue** and assignments (**Edmodo or One Note**) daily. A brief evening discussion between you and your child will help you both stay on top of assignments and grades. In addition, please encourage your child to make **flash cards** to prepare for tests and quizzes. Finally, remember **Khan Academy, Membean, PEG Writing, Shepard Software, and USA TestPrep** are *essential* technology tools that help students complete assignments and prepare for their tests.

I also want to thank you for the tremendous success of our International Night Open House! Students were able to share and commemorate our unique heritages as well as to get to know each other and their teachers better. The response to this new approach to our Open House was very enthusiastic, and we look forward to celebrating our school's diversity again next year!

Our grade level **Curriculum Nights** will be coming up in just 3 short school weeks (**October 2-6th**; **October 3-7th**; **October 4-8th**). You will be able to rotate through your child's schedule to hear details about our curriculum, instructional activities, and assessments that will be occurring over the course of the school year. You will also receive work samples from your child to provide feedback on how you can best support his/her academic progress at home.

Further, we plan to start our **before/after school tutoring program** in September. More details about this very important part of our instructional program will be coming home soon.

If there is ever anything we can do to be supportive to you at home, please let us know. We are blessed and grateful to serve you and your children.

Best wishes for a great year!

Ansley K. Daniel
Principal
