

SPRAYBERRY HIGH SCHOOL

Cobb County School District

*“Excellence our Tradition, Diversity our Strength,
Success our Mission”*

Sara Griffin
Principal

June 5, 2018

Dear Parents,

I am both humbled and enthusiastic for the opportunity to serve as Sprayberry High School’s next principal. I have worked as an educator in Cobb County for the past 15 years, and I was fortunate in that I was able to spend the last year at Sprayberry as an Assistant Principal learning about the school’s unique and extraordinary past. Sprayberry has an impressive history of success in academics, fine arts, athletics, and community involvement. In the upcoming years, I hope to continue this tradition of excellence in education.

Student security and safety is my first priority. I will work to ensure that students have access to a safe educational environment during their tenure at Sprayberry. Additionally, I plan to refine and expand the three Scholar Academies in order to increase enrollment and create a unique learning environment for our academy students. With the support of the teachers and administration, I hope to increase our state CCRPI score through strong instructional practices and by making valuable data driven academic decisions in order to showcase Sprayberry’s achievements and accomplishments.

Successful students are well versed in not only academics but also in fine arts, career technology, community service, and athletics. I hope to increase enrollment and participation in each of these programs in order to develop students who are well rounded and competitive at the college level.

I am grateful to serve as Sprayberry’s new leader, and I look forward to the opportunity to work with you, your students, and the community in the future.

Sincerely,

A handwritten signature in black ink that reads "Sara Griffin". The signature is written in a cursive, flowing style.
