**Title I School Designation Notification**

**8-17-2015**

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 require that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under Georgia's ESEA Flexibility Waiver, certain Title I schools are designated as a Reward, Priority, Focus, or Alert schools. The Waiver also allows the use of the College and Career Ready Performance Index (CCRPI), which served as a comprehensive report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how well the school is doing in preparing its students to be successful in college and/or a career.

Tapp Middle School's CCRPI score for the 2014-2015 school year was 78.6 which was higher than the state average for middle schools.

I am very proud to tell you that Tapp Middle School has not been given a school of designation this year, which means we are continuing to provide a quality education for all of our students.

Analysis of Tapp Middle School's CRCT performance for 2014-2015 reflects continued improvement in all content areas. The percent of students exceeding on test has increased as the performance gap between regular education and special education has continued to decline.

At Tapp Middle School we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Tapp Middle School's success is the parent participation and the support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Latisha Turner at 770-222-3758 ext. 258 or [Latisha.Turner@cobbk12.org](mailto:Latisha.Turner@cobbk12.org)

Thank you for all that you do to support your child's education.

Sincerely,

Tiffany M. Honoré  
Principal
