Follow the below instructions for creating a MLA Works Cited page.

First, create a project by clicking the **“New Project”** tab at the top of the page.

Enter a project name, select MLA8 and Citation level **“Advanced”** then click **“submit.”**

Next, open your project and click at the top for **“Sources.”**

Then, **“Create new citation.”**

Select “Database” or “Website,” then the type of document you are trying to cite. If you have copied your source from a WheelerLibrary database select “Database.”

Where is it?

Database Website Print or in-hand Viewed/heard live File, app, e-book Other ▾

What is it?

Web Page	Journal	Reference Source
Anthology/Collection	Magazine	Television Program
Book	Newspaper	Video Clip (Online)
Film or Video Recording	Photo or Image (Born Digital)	Work of Visual Art
Interview	Radio Program	

On the next screen, you can either fill out as much information as you can find from your website or source, or if you have copied the citation from one of our databases, select “**Copy & past citation.**” Paste your citation in the box and double check it for correctness. Click the save button.

When you copy and paste a preformatted citation:

Do not assume the citation is correct! Compare to examples in the MLA Handbook and the pull-out MLA Guide above.

Reapply text formatting like italics.

Check capitalization of the title(s).

* Manually-edited citation:
